**Clerk Dorothy Brown Opens New Touch Screen Information
Kiosks in Juvenile Court Center**

CHICAGO (April 22, 2005) – On Thursday, April 21, the Honorable Dorothy Brown, Clerk of the Circuit Court of Cook County, officially opened two touch screen information kiosks in the Clerk’s Office of the Juvenile Court Center, 1100 S. Hamilton, with a ribbon cutting ceremony.

The touch screen information kiosks, which provide information on the Child Protection and Juvenile Justice divisions, are interactive, allowing customers to learn about services available in each division and to view a glossary of commonly used terms for both areas. Additionally, addresses and maps for all departments in the Clerk’s Office are featured.

One kiosk can be found in room 13 of the Juvenile Court Center. The second kiosk is located in the lower level file review section.

“These user friendly information kiosks will greatly assist citizens when they visit the Juvenile Court Center,” said Clerk Brown. “Visitors will now be able to get a better understanding of services offered by these areas with a quick touch of a button.”
