“GO RED FOR WOMEN” ON FRIDAY, FEB. 2**

CHICAGO (Jan. 30, 2007) - The Office of the Clerk of the Circuit Court of Cook County will join companies throughout the nation by wearing something red on Friday, Feb. 2, and support the American Heart Association’s National Wear Red Day. The Honorable Dorothy Brown, Clerk of the Circuit Court of Cook County, and her employees who are wearing red will take a group photograph at 3 p.m. on Friday in the 10<sup>th</sup> floor lobby of the Richard J. Daley Center, 50 W. Washington St., to help increase awareness of heart disease, the number one killer of women.

“My staff and I are pleased to participate in this very significant campaign because National Wear Red Day serves as a reminder that women can live healthier lives to prevent developing heart disease,” said Clerk Brown. “Together we can cultivate positive change to defeat this major health threat.”

National Wear Red Day is a part of Go Red For Women, the American Heart Association’s national campaign to raise awareness of heart disease in women. Go Red for Women was established in 2004, and has since grown into a nationwide movement that involves a diverse group of citizens. The movement gives women information on exercise, healthy food consumption and risk factor reduction, such as blood pressure control, blood cholesterol management and weight maintenance.
