**Clerk Dorothy Brown Encourages Students to Make Their Mark  
on the Legal System During the Annual Law Day Celebration**

**What:** The Honorable Dorothy Brown, Clerk of the Circuit Court of Cook County, will discuss the importance of the American legal system to junior high and high school students during the 2007 Law Day breakfast program.

“I gladly participate in the Law Day program each year because it introduces young students to the legal system,” said Clerk Brown. “I hope the students will commit themselves to work toward enhancing society by ensuring equal justice for all.”

Law Day was established in 1957 by the American Bar Association as a day for the nation to collectively consider past legal challenges and successes while safeguarding the mandate of equal justice for all. Students will shadow attorneys and judges in various courtrooms in the Daley Center to see firsthand how legal practices play out in society.

**When:** Wednesday, May 2  
8 a.m.

**Where:** Daley Center  
50 W. Washington, Room 2005  
Chicago
