Clerk Dorothy Brown and Staff “Go Red for Women” On Friday, February 5th

The Honorable Dorothy Brown, Clerk of the Circuit Court of Cook County, and employees of the Clerk’s Office joined companies from across the nation in wearing something red on Friday, February 5, 2010, in support of the American Heart Association’s *Wear Red Day*. *Wear Red Day* was created to increase awareness of heart disease, the No. #1 killer of women in the United States.

“Wear Red Day in the Clerk’s Office gives our employees an opportunity to stand up and demonstrate their concern and support for the fight against heart disease in women,” said Clerk Brown.

Wear Red Day is a component of *Go Red For Women*, the American Heart Association’s national campaign to raise awareness of heart disease and encourage women to take charge of their health.

In a show of support, Clerk’s Office employees wearing red show up in large numbers throughout the Clerk’s Office’s departments, divisions and districts, and gathered for a group photo in the Daley Center to commemorate the event.
