Play Santa for the Seventh Year to Overton School Students**

The Honorable Dorothy Brown, Clerk of the Circuit Court of Cook County, Santa Claus and some of his helpers delivered more than 100 gifts to the children, ages three to five years, of Anthony Overton Child Parent Center on Chicago's Southside.

"My staff members and I are honored to be able to grant the Christmas wishes of Overton students over these past years," said Clerk Brown. "Each holiday season of gift-giving, brings the joy of happy, smiling children."

Overton Center students and their parents greeted Clerk Brown when she, Santa Claus and Clerk's Office employees arrived with the many, colorfully wrapped gifts.

Clerk Brown and her staff purchased a variety of toys in response to the Overton children's requests made through the Clerk's Office's "Letters to Santa" program. Overton Center teacher Betty Brooks helped coordinate the gift-giving program with Clerk Brown's staff. Each present is personally addressed to a child and contains the gift that he or she requested.
